Meet one of our keynote speakers

Math—Ed Zaccaro

Ed Zaccaro has presented at MEGT before, but this time we are very happy to host him as a keynote speaker. Ed is a teacher and a popular presenter at math and gifted education conferences around the country. He has taught students of all ages and abilities and has been an advocate for gifted education as a parent, teacher, and school board member. Everyone who has heard Ed present will testify to his ability to make math fun and challenging. He is the author of math books for mathematically gifted children:

- Challenge Math for the Elementary and Middle School Student
- Primary Grade Challenge Math
- Real World Algebra
- The Ten Things All Future Mathematicians and Scientists Must Know (But are Rarely Taught)
- Becoming a Problem Solving Genius
- 25 Real Life Math Investigations That Will Astound Teachers and Students
- Scammed by Statistics
