

STEM & the K-12 Gifted Learner

MEGT 20th Mid-Winter Conference

February 5-7, 2012

Conference information at: www.megt.org

Meet two of our keynote speakers:

Engineering— Eric Raarup & Mike Hodnick

Eric is the Senior vice-president for Technology and Marketing for the Avtex company. Mike Hodnick is the Principal Consultant at Avtex. Avtex is a technology know-how driven company focused on providing solutions that optimize the many points of interaction that clients have with their customers, employees, partners and prospects. Eric and Mike also work with getSTEM which is a web application to connect schools with professionals in the fields of science, technology, engineering and math. This is a “just ask– just offer” format to promote connections for presentations, materials, events, field trips, multi-media, STEM links and forums.

We are pleased to have Eric & Mike join our conference to share their insights, experiences and information about getSTEM.
